

New Partnership: Dovefy – 9 September 2017

MinNature appointed PE Machinery Sdn Bhd as main ABS filament supplier. PE Machinery owns the upcoming brand Dovefy; which produces quality ABS filaments for 3D printing at affordable price point.

MinNature is no stranger to 3D printing using ABS as the production team has recorded over 1,700 kg of ABS. MinNature is projected to place order up to 200 kg by end of November 2017.

This new order will be allocated for the 2nd phase expansion works.
