

Subang Jaya: June 09, 2019

9 June 2019 marks the last day here at Summit USJ. 7:00pm marks the last hour our shutters will be open for visitors to enter.

Time certainly passed fast, it seems like it was just yesterday when we were building up the place. And now, in a couple of days time, we will be bringing it down. It has been a pleasure serving everyone here. Hope we will be able to see you all again when we manage to find a new home for MinNature.

To close this chapter, we will end it on this note,

"Do what you love to do and give it your very best. Whether it's business or baseball, or the theater, or any field. If you don't love what you're doing and you can't give it your best, get out of it. Life is too short."

- Cheng Huat -  
Founder of MinNature
