A New Home, A New Hope

Wan Cheng Huat, 37, executive director of Magnificent Miniatures Sdn Bhd announces that JUMPA@Sungei Wang Plaza will be MinNature Malaysia's new location. He confirmed the tenancy with one of Malaysia's pioneering shopping malls located in Kuala Lumpur's central business district a month after the closure of the Summit USJ branch.

"MinNature Malaysia is very grateful that CapitaLand Malaysia Mall Trust ("CMMT"), who is the major stakeholder in JUMPA@Sungei Wang Plaza, shares the similar belief and vision for the MinNature can offer to the tourism industry of Malaysia. We believe this partnership will bring great synergy and vibe to the retail and tourism industry," Wan added.

Wan said that the team is gearing to reopen MinNature for business in the first quarter of 2020. The new MinNature will introduce a whole new experience and is expected to take 8 months to complete the build.
